Our Conferences

The Hypnosis Education Association conducts weekend conferences three times a year in central Florida, near Orlando.

Our conferences begin with a get-together in a hospitality suite on Friday evening, followed by excellent presentations on Saturday and Sunday. During these two days, hypnotists can earn continuing education units with their participation in these programs. Many of our presenters are nationally and internationally renowned speakers.

These presentations are always a wonderful way to learn new and useful information, share ideas and develop new skills.

Many of our members get together for dinner in the evenings and, at our November meeting, we have an annual awards banquet.

Meetings are open to members and guests, so be sure to join us at the next conference and bring a friend!

About Us

The Hypnosis Education Association - a Not-for-Profit-Florida-Organization - was established in 1998 by an enthusiastic group of Hypnotists to provide other professionals and those interested in the field of hypnosis with:

- Continuing education
- Networking opportunities
- Presentations of new ideas
- Fellowship

The Hypnosis Education Association invites everyone with a sincere interest in hypnosis to join. Our membership includes both professional and non-professional members alike.

The Association is one of the friendliest and most welcoming professional hypnosis groups and it is always a pleasure to get together and enjoy each others' company.
